Operations Report – John Rowe

- BVRA's Energy Gymnastics Level 5 Boys (12-15 years) will represent PA in the Region 6 (Northeastern States) competition in Hartford CT after winning the state competition. Level 3 Boys also did well, placing third in the state.
- In April, invitations will be offered to 14 gym members to join BVRA's competitive teams.
- Curtis is finishing various indoor maintenance projects and will be starting Community Park/pool prep for the oncoming summer season.
- The Lewisburg Soccer Club has questioned a \$40-per-day fee for the use of the west field (west side of 15th St). There will be further discussion on this matter.
- Summer Camp registrations are going well and are ahead of last year's numbers at the same time.

New Business –

- A discussion began to consider establishing a gymnastics scholarship program. Brainstorming will continue.
- Repair of crumbling cement around parts of the pool's deck wall was discussed. Spot repair that should last the season is estimated at \$1,775. This must be done. Remediation of the entire surface will most likely need to be done for the 2026 season.

Adjournment – 7:06 PM
