Additional Notes

BVRA Camp Week 1-STEM! (Experiments, Building)

SUMMER ADVENTURE CAMPS

8:00 AM - 4:00 PM

MON-FRI

Adventurers Ages 6-12

5 DAYS-\$275

STEM Week will include science experiments and building activities allowing children to explore new activities and learn through experiences. We will have themed workshops each week along with team building activities to help build friendships while campers get to know each other.

Activities this week include: dying eggs, earthquake science, Lewisburg Pool for swimming, Energy Gymnastics Center, Lewisburg Downtown Campus Theatre.

*Informational emails will be sent to you once you sign up with registration forms attached. Please fill those out and send them back before your campers first day of camp. Weekly activity schedule will be sent to you the weekend before your camper attends camp.

*Full refunds are given if a notice of at least 14 days prior to your scheduled week of camp is communicated. Half refunds will be available up until a week/7days before the start date.
