Operations Report – John Rowe

- Staffing adjustments are being made at the gym to fit normal summer attendance slump.
- Gym special programs, i.e., birthday parties and homeschool classes are doing well.
- Summer camp registration is ongoing but behind last year's numbers at this point. 2026 programs will be robust but will be streamlined to cut needless costs like travel expenses.
- Pool leak fix is holding. This will be reviewed at the end of the summer. Permanent repairs, if necessary, will be discussed.
- "Lewisburg Gators" swim club held a competition on June 20th. The club was happy with the pool's appearance. Concrete at the starting blocks is slightly "wobbly." A fix will be discussed.
- Men's pool bathroom toilet has a drainage problem.
- Problem with repair of ramp boards at the skate park continues. Ramp structure is about 20 years old. BVRA can't find a mechanic who can, or wants to, repair the ramp.
- Pizza problem! Pizza sales at the pool snack bar show good profits. Demand for pizza has been overwhelming. The single pizza oven can't turn orders fast enough to service busy times. Waits can near 45 minutes. Board discussed remedies, including purchasing a second oven/warmer.
