Operations Report – John Rowe

- Gym doing well. Typical attendance for summer season.
- Pool doing well. The use of the “RecDesk” program to keep track of food concession inventory was discussed.
- Pool will close for the season Aug. 23. Possibly Doggie Dips Aug. 26.
- Gators Swim Club meets are done for the season. The Gators were happy with BVRA's attention to their needs this season. Gators President Kiersten Muir presented BVRA's park manager Curtis Bloom with an official Gator's towel in appreciation for his professionalism in maintaining the pool and community park.
- Discussion – Fix concrete under diving board. More shaded areas on pool deck. Recurring problems with the pool's painting job. Pool closing needs. Check condition temporary pipe repair that caused pool leak. Does pipe need permanent repair? Approx. \$3,500.
- Summer camp is close to budget and revenue goals.

New Business -

- Reconstruction and repair of tennis courts are done. Opening date was discussed.
- Puddles formed after rain on new court surface that were found to be deeper than official court specifications. To be discussed with contractor. ([American Sports Builders Association](#) (ASBA) and industry standards, a tennis court puddle—often called a "birdbath"—is out of tolerance and requires repair if standing water is deeper than 1/16 inch (2 mm) or covers a U.S. nickel one hour after rain or flooding at 70°F.)
