**Operations Report – John Rowe**

- BVRA's Energy Gymnastics Team has had its largest addition since Covid. The team lost 3 but added 15.
- Pool pumps are running, pool is filled, chemicals are in. Chemicals just need time to balance. The heater has been repaired and is running. The diving board has been repaired for this upcoming season. A complete diving board repair will be done after the season is over.
- The triathlon in the pool/park is this upcoming Saturday, 5/31. We plan to open the pool for the season the same day. There will be food trucks and lifeguards staffed for the triathlon. They are expected to have close to 200 participants and their spectators.
- The Gators swim team is ready for weekday morning practices and 3 meets at the pool. They will be paying \$2000 for the 2025 season use of the pool.
- Summer Camp is getting prepared. Bussing for field trips is an extra expense this year but we are still on track to profit. Registrations are strong. Mini-camps are cancelled due to low registrations. Only 2 weeks of mini camps remain.
- **New Business –**
- A discussion began to consider paying off our loans to the borough and East Buffalo Township in full. Discussion will be continued after we find out exactly how much we would need to pay.
